general charge of the submarine branch, has just finished a series of conferences with Secretary Daniels, Rear Admiral Benson, chief of operations, and other bureau chiefs. His most important task just now is the manning of twelve new submarines nearing completion. The use of the Columbia as a training ship is expected to solve that problem.

The auxiliary cruiser Prairie, formerly flagship of the fiotilla, will be used hereafter as a tender. The Columbia, built before the Spanish war as a commerce destroyer, has been in reserve at the Philadelphia navy yard.

you that they are to be trusted and you'll come out all right. Watch out for danger when there seems to be no danger near. Now I must be running along. Good luck to you, and never trust old Granny Fox."

With this off scampered Peter, lipperty-lipperty-lip, leaving the three little Possums to continue their was into the Great World.

Science has scored another vic-Science has scored another vic-tory in the discovery of glycero-phosphates as Nature's food for the renewal of used-up nerves. This natural vim-maker has been put into tablet form called Tru-tone. This is what the well known Mrs. Parks writes about them:

"Within 10 days I gained 4 pounds, and my nervousness has entirely disappeared. I sleep well and awaken refreshed, full of the vim and vitality I had when I was eighteen years of age."
